CRIME CONTROL SALES TAX

PUBLIC SAFETY BUILDING - NOT A NEW TAX...

In 2007, voters approved a ¼ cent sales tax for a Crime District that was used to build the Police and Fire Public Safety Building, 1525 Arkansas Lane. State law requires such a tax initially can only be approved for five years, with the ability to ask voters to renew for 5, 10, 15 or 20 years.

Therefore, on the May 12 ballot, voters will be asked whether or not to continue the ¼ cent sales tax for 10 more years, which will be used to pay off the Public Safety Building debt.

Crime Control and Prevention District Referendum

What you'll see on the ballot: Whether the City of Grand Prairie, Texas, Crime Control and Prevention District should be continued for ten (10) years and the Crime Control and Prevention District Sales Tax should be continued for ten (10) years.

What that means: Voters will vote for or against continuing a ¼ cent sales tax for 10 more years to pay off the debt used to build the Police and Fire Public Safety Building.

- If the referendum is approved, Grand Prairie's sales tax does not increase. It stays 8.25%. The city would continue paying off the debt on the Public Safety Building using sales tax.
- If the referendum fails, the city would either have to cut about \$5 million a year from its budget and/or raise property taxes 3-6 cents for the next 10 to 20 years in order to pay off the building's debt. Sales tax would drop ¼ cent.
- People who shop in Grand Prairie help pay for the Public Safety Building by paying sales tax.
- When paid off, the ¼ cent sales tax would go away or voters could approve other uses.

IMPUESTO SOBRE LAS VENTAS PARA EL CONTROL DEL DELITO

Edificio de Seguridad Pública

No es un impuesto nuevo

En 2007, los votantes aprobaron un impuesto sobre las ventas de ¼ de centavo para crear un Distrito de Control y Prevención del Delito, que se usó para construir el Edificio de Seguridad Pública de la Policía y los Bomberos, ubicado en 1525 Arkansas Lane. La ley estatal establece que inicialmente ese impuesto solo puede aprobarse por cinco años, con la posibilidad de solicitar a los votantes que lo renueven por 5, 10, 15 ó 20 años.

Por lo tanto, en las elecciones del 12 de mayo, se consultará a los votantes si desean que continúe o no el impuesto sobre las ventas de ¼ de centavo por 10 años más, el cual se usará para cancelar la deuda de la construcción del Edificio de Seguridad Pública.

REFERÉNDUM SOBRE EL DISTRITO DE CONTROL Y PREVENCIÓN DEL DELITO

En la papeleta electoral usted encontrará lo siguiente: Si el Distrito de Control y Prevención del Delito de la ciudad de Grand Prairie, Texas, debe continuar por diez (10) años y si el impuesto sobre las ventas del Distrito de Control y Prevención del Delito debe continuar por diez (10) años.

Esto significa: Los votantes votarán a favor o en contra de continuar con un impuesto sobre las ventas de ¼ de centavo durante 10 años más para cancelar la deuda por la construcción del Edificio de Seguridad Pública de la Policía y los Bomberos.

- Si se aprueba el referéndum, el impuesto sobre las ventas de Grand Prairie no aumentará. Se mantendrá en 8.25%. La ciudad continuará cancelando la deuda de la construcción del Edificio de Seguridad Pública mediante el impuesto sobre las ventas.
- Si el referéndum fracasa, la ciudad deberá reducir aproximadamente \$5 millones anuales de su presupuesto o aumentar los impuestos sobre la propiedad entre 3 y 6 centavos durante los próximos 10 a 20 años para cancelar la deuda de la construcción del edificio. El impuesto sobre las ventas bajaría en ¼ de centavo.
